MAPCO RCRA Inspection

John Alexakos

Steven A. Torok
Air/Waste Coordinator

AKS

Chuck Rice, Chief
RCRA Compliance Section

I understand that ADEC has sent copies of the March 5, 1987 MAPCO inspection report directly to you and the Office of Criminal Investigations. At this time I am forgoing a written review of the report and suggesting a conference call between EPA and DEC to discuss the findings of the inspection and potential enforcement actions against the facility.

Please call me to make further arrangements.
